## ПРЕДИСЛОВІЕ.

Непрерывно крѣпнущее братство и единеніе народовъ согласія, ихъ круговая братская помощь въ настоящей войнѣ естественно рождаетъ идею братскаго поминовенія воиновъ, павшихъ за общее дѣло.

Авторъ такъ представляетъ себѣ картину торжественной религіозной церемоніи поминовенія: вокругъ богослужебнаго дѣйства собрались части союзныхъ войскъ; слышатся заупокойные напѣвы то русскіе, то католическіе, то сербскіе, то англійскіе; одинъ языкъ смѣняетъ другой; по временамъ доносятся трубные сигналы разныхъ армій, барабанный бой, пушечная пальба; вдали рыдаютъ причитанія осиротѣвшихъ женъ и матерей; со стороны азіатскихъ войскъ доносятся звуки японскихъ и индусскихъ напѣвовъ. При провозглашеніи вѣчной памяти присоединяются военные оркестры, раздаются орудійные салюты и музыка принимаетъ свѣтлый колоритъ прославленія павшихъ героевъ.

## PREFACE.

The incessantly strengthening brotherhood and union of the allied nations, their accordance and mutual assistance in the present war naturally bring forth the idea of confraternal prayer for the warriors fallen for the common case.

The author thus pictures himself the solemn religious ceremony of Commemoration: around the devine acting are assembled parts of the allied armies; melodies of the requiem are to be heard, now russian, now catholic, now servian, now english; one language replaces the other; betimes signals of horns of different armies, drum-beat and cannonade are audible; at a distance lament and sob the orphan wives and mothers; on the side of the asiatic troops are heard the sounds of japanese and indian tunes. At the proclamation of „rest eternal“ join the military bands, salutes of cannons are to be heard and the music assumes a bright colour of glorification of the fallen heroes.

## PREFACE.

La fraternité et l'union toujours plus étroites des nations de l'Entente, leur entr'aide fraternelle dans cette guerre, suscitent naturellement l'idée d'une Commémoration en commun des guerriers tombés pour la cause commune.

L'auteur se représente ainsi le tableau d'une cérémonie solennelle et religieuse de Commémoration: autour de l'action religieuse sont assemblés les détachements des armées alliées; on entend des chants funèbres tantôt russes, tantôt français et catholiques, tantôt serbes, tantôt anglais. Les langues alternent; de temps en temps retentissent les signaux de trompette des différentes armées, les roulements de tambour, la canonnade; au loin se font entendre les sanglots et les lamentations des femmes et des mères devenues orphelines. Du côté des troupes asiatiques on perçoit les sons des chants japonais et hindous. A la proclamation du „Requiem aeternam“ se joignent les musiques militaires, et font écho les saluts des canons. Et la musique se revêt du coloris clair et resplendissant qui convient à la glorification des héros tombés.

## PREFAZIONE.

La fraternità e l'unione sempre crescente delle nazioni alleate, il loro reciproco fraterno aiuto in questa guerra, fa nascere l'idea d'una preghiera congiunta per i guerrieri, caduti per la causa comune.—L'autore cosi si rappresenta la cerimonia solenne e religiosa della Commemorazione:

D'intorno all'azione sacra sono riuniti i distaccamenti delle armate congiunte; si odono i canti funebri; ora russi, ora cattolici, ora serbi, ora inglesi. Una lingua rimpiazza l'altra. Di tempo in tempo risuonano i segnali delle trombe di parecchie armate, il rullo del tamburo, le cannonate. Da lontano si odono i singhiozzi ed i lamenti delle donne e delle madri ultimamente divenute orfane. Da parte delle truppe asiatiche si fanno sentire i suoni dei canti giapponesi ed indiani. Al proclama del „Requiem aeternam“ risuonano i saluti dei cannoni e la musica prende il colorito chiaro d'una glorificazione degli eroi caduti.
